2010 YO! YoYo ART CONTEST RULES

WHAT'S ELIGIBLE?

Your entry must be art done on or to a standard sized yo-yo. The yoyo may be functional or not. You may supply your own yoyo, however a free kit is available (one per entrant, please) from Gallery 28 while supplies last. You may do anything to the yoyo and use any kind of art or construction supplies you wish, however, we do ask that it be safe - no rough edges. If you add sound to the yoyo, there must be a method of turning it off. Ditto for lights. The yoyos supplied in the kits are made from unfinished hard maple. You may add things to the yoyo, drill into the yoyo, carve the yoyo, paint the yoyo, add lights, nails, whatever or wherever your creative mind takes you! Just have fun! Be CREATIVE! It's a YoYo!
